Master sausage-making chef Jerry Predika has collected hundreds of ethnic recipes from countries around the world.

Sausage making is a simple-to-learn kitchen craft, and getting started is easy and inexpensive. Predicting the future of sausage making is difficult, but the future is bright.

Making sausage yourself you'll be able to eliminate harmful nitrates from your diet and control the quality of the sausage.

About The Author:

Born into a family of Russian and Slavic background, Jerry Predika learned to prepare foods at an early age.

As he grew older he realized that many fine old recipes were being lost with the deaths of older family members.

Jerry Predika, a professional artist and wine counselor for a California winery, brings artistry to every recipe.
